

# Activity Sheet 2: Earning and Saving

## How do I make and grow my money?

Have you ever earned money by helping, like feeding a pet, working in the garden, or cleaning up at home?

Earning your own money, even a little, can feel great!

### Ways kids can earn money

You might:

- Help a family member
- Sell something you made
- Save birthday or gift money

Earning isn't just about money, it's also about helping others, and it builds confidence, skills, and goals!

### What could you do to earn money?

Think about things you're good at or would like to try.

Can you help someone, create something, or use a skill?

Draw or write an idea for each box below:

Something I could help with	Something I could make or sell	A job I could do at home	A job I could do for someone else

**Remember: Not all jobs get paid the same way. Some might earn money, and some might be a way to help or learn something new!**

# Activity Sheet 2: Earning and saving

## How do I make and grow my money?

### Set your saving goals

Think of **three goals** you could save for:

Goal	How much do you need?	How long will it take?
Something small (soon)		
Something medium (in months)		
Something big (long-term)		

### Ask a grown-up!

Ask someone at the bank or at home and write down what you find out!

Ask: **"What was your first job? How did you save your money?"**

Write their story here:
