Personal loan?

Bank of us.

Well, guess what?

You've come to the right place.

We do personal loans. And what's even better, there's no bank-speak here. Life's hard enough these days, without having to go back to school just so you can compare loans.

So what's good about a Bank of us personal loan?

Let me lay it out for you.

A Bank of us personal loan isn't complicated or tricky.

- Low interest rates.
- You can manage your loan, the way you want to. Think, weekly, fortnightly or monthly payments.®
- Go ahead and pay a lump sum off or a little bit more than your scheduled payments.
- And if you're ahead on your repayments, redraw your money for free.

We can get you covered

Together with our insurance partner CGU, we can sort you out with your insurance^ too. We can take you through all of this when we get together or visit our website bankofus.com.au/insurance to get the low down.
